this book helps educators center black boys identities in gifted education by incorporating their lived experiences into curriculum and instruction it advocates for diverse rigorous and affirming literature that challenges white centered narratives offering black boys positive representation and culturally relevant counter stories

in 1971 french jazz critics philippe carles and jean louis comolli cowrote free jazz black power a treatise on the racial and political implications of jazz and jazz criticism it remains a testimony to the long ignored encounter of radical african american music and french left wing criticism carles and comolli set out to defend a genre vilified by jazz critics on both sides of the atlantic by exposing the new sound s ties to african american culture history and the political struggle that was raging in the early 1970s the two offered a political and cultural history of black presence in the united states to shed more light on the dubious role played by jazz criticism in racial oppression this analysis of jazz criticism and its production is astutely self aware it critiques the critics building a work of cultural studies in a time and place where the practice was virtually unknown the authors reached radical conclusions free jazz was a revolutionary reaction against white domination was the musical counterpart to the black power movement and was a musical style that demanded a similar political commitment the impact of this book is difficult to overstate as it made readers reconsider their response to african american music in some cases it changed the way musicians thought about and played jazz free jazz black power remains indispensable to the study of the relation of american free jazz to european audiences critics and artists this monumental critique caught the spirit of its time and realigned that zeitgeist
